

## NATIONAL VENTILATOR PROGRAM

### COMMITTED TO PROFITABLE PARTNERSHIPS

SMS offers Customized Solutions tailored to your needs

- **Resource Assessment**

**SMS will visit your facility, and assess areas such as:**

- Oxygen Capabilities
- Technology Selection
- Supply Selection & Par Level Management
- Alarm System Options
- Staff Education Needs

- **Start-Up Implementation**

**The SMS team will handle several aspects of your ventilator unit, including:**

- Pricing/Contract/Billing Process
- All-Inclusive PPD Rates Available
- Oxygen/DME/Ventilator Set Up
- Alarm Installation
- Supply Order Guide

- **Ongoing Program Management**

**Once the SMS ventilator program is up and running, SMS will assist with:**

- Admission Support
- Utilization Tracking
- On-Going Education Assistance
- DME Preventative Maintenance
- Survey QA Review
